Under Armour® Sport Wireless Pivot – Engineered by JBL®

Secure-fitting wireless sport earphones with JBL technology and sound

Features and Benefits

Waterproof, High-Performance Design for Sport
IPX7 Sweat & Waterproof, aluminum earbuds with durable fabric cable promise to withstand your most rigorous workout.

Bionic Hearing
Using unique JBL sound and mic technology, Bionic Hearing allows you to hear your surroundings with two sound Technologies – TalkThru & Ambient Aware. With TalkThru Technology, music is lowered and speech is amplified so you can easily chat with a workout partner between sets. AmbientAware delivers a more immersive music experience while increasing ambient sounds, providing the safety of hearing your surroundings.

9-Hour Battery
Wireless sound that lasts for a week's worth of workouts.

Secure Fit with Magnetic Buds
Secure fit with Sport Flex Fit ear tips and behind-the-ear hook for added stability and convenient portability.

Bluetooth® wireless
Easy-to-connect Bluetooth technology delivers cable-free, zero-distraction performance.

JBL Charged Sound
Bold sound tuned for sport with rich bass to crush your workout.
