

Inspire™ 300 For Women

In-ear sport headphones with mic/remote

In-ear, sport earphones with TwistLock™ Technology specifically made for women.

Rock your workout with sweat-proof in-the-ear sport earphones designed to fit women's ears. TwistLock® Technology and FlexSoft® Comfort Fit guarantee JBL® Inspire™ 300 For Women won't hurt or fall out, while allowing ambient sound to help you hear what's happening around you. Exclusive QuikClik™ Tangle-Free Magnets simplify wearing and storing them, and the cord features a microphone with one-touch music and call control compatible with most smartphones. Specially sized for smaller ears and available in fierce colors, Inspire 300 For Women will stay with you for every mile, every rep and every ounce of sweat. Hello, small and mighty.

Inspire™ 300 For Women

In-ear sport headphones with mic/remote

Features and Benefits

Sweat proof

Developed for training in any conditions, the JBL® Inspire™ 300 endures through rain, water, and sweat.

TwistLock™ technology

Our patented TwistLock™ technology provides a secure fit, ensuring these headphones never fall out even during the most rigorous physical activities.

FlexSoft™

Guaranteed never to hurt, these headphones are made with ultra-soft flexible silicone for long-lasting ergonomic comfort.

Ambient Aware

Ergonomically designed to allow in ambient noise so you're aware of your surroundings during active use.

Quick Click® Tangle-free magnets

Quick Click tangle-free magnets make your sport earphones ready to wear and ready to store anytime.

Microphone with music and track control

The sweat and water resistant 1-button microphone system provides a new level of convenience for the multi-tasker. Through the click of a button, you're able to control phone calls and music tracks without breaking from your work-out. Compatible with most smart phones.

JBL Signature Sound with Pure Bass performance

For over 70 years, JBL has engineered precise, naturally articulated sound found in high-end cinemas, arenas and recording studios around the world.
